

### **What is it?**

Crossfire Classifieds is a place for Crossfire families to support one another. If you own a family business or have something to sell that you no longer need (ie. uniform, shoes, sweats), post a listing and let others know. The goal of Crossfire Classifieds is to promote Crossfire Family businesses so we are helping each other out. The long term goal is to also raise money for *Crossfire Financial Aid*.

### **How does it work?**

Simply submit the required information (see below) via email to the list manager at [seanbrazil@yahoo.com](mailto:seanbrazil@yahoo.com). Upon approval (which usually occurs within one week), your information will be posted to Crossfire Classifieds. The information will remain on the website for three months. You will be notified via email prior to your listing expiration. To continue the listing for another three, simply notify the list manager. You can submit as many listings as you want. There is no limit.

### **What are the requirements to submit?**

If it is a business you are advertising, it must be owned or at least partially owned by someone with good standing in the Crossfire Club.

If you want to advertise equipment, clothing, etc. you must be a member in good standing with the Crossfire Club.

### **What is the cost?**

As a pilot program, the first 3 months to advertise on Crossfire Classifieds List is FREE. After this inaugural 3 months we will reevaluate and determine if a cost will be associated with each business advertising going forward. ALL money received for Crossfire Classifieds goes directly into Crossfire Financial Aid. Please consider this when posting your business listing. Consider donating a % of your profits made through Crossfire Classifieds to *Crossfire Financial Aid*.

### **Who does it benefit?**

Everyone... really! As a non-advertising Crossfire family, you can support other Crossfire family businesses, shop for potential items and hopefully find discounts on your purchases.

As a business, you've just marketed yourself to over 1000 individuals within our Club for FREE.

As a Club – We help to continue building a community and raising funds which help keep the cost down for those individuals less fortunate.

**It is a win-win situation... how often does THAT happen in soccer?!**
